

Investment Briefs for Student Achievement Component and Youth Guarantee

Student Achievement Component (SAC) and Youth Guarantee (YG) Investment Briefs provide information on our expectations for SAC and YG provision. There are three SAC Investment Briefs for the 2019 Investment Round: SAC levels 1 to 3; SAC levels 4 to 7 (non-degree); SAC level 7 (degree); and a YG Investment Brief.

The Investment Briefs are on the [Investment Toolkit](#) webpage.

Investment Briefs provide information about specific areas of provision

Each Investment Brief gives clear messages and relevant information about an area of provision to assist you to develop your Investment Plan.

Each document includes the:

- › purpose of the provision
- › key outputs/outcomes
- › targets for the key outputs/outcomes (shown as two and four year targets)
- › how we will work with you to achieve the targets.

Investment Briefs will help you develop your Plan for the 2019 Investment Round

You need to consider all relevant Investment Briefs when drafting your Plan.

The targets in each Investment Brief are not tertiary education organisation (TEO) specific targets but rather overall system level targets.

You will have individual conversations with your Relationship Manager about how your organisation can contribute to the targets.

We have updated the documents for the 2019 investment round

The Investment Briefs were initially published in February 2018 for the 2018 Investment Round. We have updated each document for the 2019 Investment Round. This update was required as:

- › 2018 delivery information is now available
- › 2017 educational performance information is now available
- › new post-study outcomes information is available via the *Post-Study Outcomes* information product.

As investment Briefs were initially released to inform Plans for 2019 funding and onwards, 2019 is when we would expect to see gains made towards achieving the targets.

Use Ngā Kete information products to better understand the information in Investment Briefs

The data in the Investment Briefs comes from the Ngā Kete information products, specifically the *My Performance*, *My Provision* and *Tertiary Provision* information products. Using these information products will give you further information about your organisation's performance.

If you need help accessing the Ngā Kete information products, please contact the Sector Helpdesk:

- Email: sectorhelpdesk@tec.govt.nz
- Freephone: 0800 601 301
- Phone: +64 4 462 5201

Questions?

If you have any questions regarding the Investment Briefs, please contact your Relationship Manager or the TEC Sector Helpdesk.
