Dear Jenn,

Determination of Design of Funding Mechanism: Literacy and Numeracy Provision

I am writing to advise you of a determination of the design of a funding mechanism, under section 419 of the Education and Training Act 2020 (the Act), for Literacy and Numeracy Provision.

The new determination is set out in the appendix to this letter. The determination covers the funding of Literacy and Numeracy provision delivered from 1 January 2021. This includes a rate increase of 1.6 percent to all funding rates.

Under section 422 of the Act, it is the Tertiary Education Commission's (TEC) responsibility to develop the details needed to implement my determinations of the design of funding mechanisms.

I expect that the TEC will set appropriate measures as part of its Statement of Service Performance in order to report to me on its performance in giving effect to this determination.

Yours sincerely,

Minister of Education
